Dear Parents /Carers,

The children have loved the Easter Egg Hunt this afternoon. They have been finding eggs to crack a secret code and have taken their own chocolate eggs as their Easter prize. We thank the PTA for the generous donation of eggs, their time and their continued dedication to our school.

The Science Fayre winners attended Warwick University to showcase their hard work. They were exceptional in presenting their investigations. We are super proud of them all, especially our shining star, Jack for coming third overall in the Ogden Trust Science Competition.

The teachers have all had some exciting training this week in our Charanga Music Scheme. The staff are really looking forward to sharing this knowledge with our children to further improve our Music curriculum.

The Year 3 children have taken part in an Explore Learning opportunity this week linked to their topic on Active Earth. They enjoyed maths problem solving. The other classes will also get the chance to work with Explore Learning as the year goes on.

Wishing you all a lovely Easter break,

Mrs Ellison, Headteacher

Dr Jack - Our Budding Scientist

Book of The Week

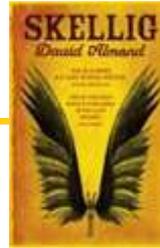

Every week we shall be recommending a 'book of the week' for each Key Stage.

KS1 - That Rabbit belongs to Emily Brown

Emily and her toy rabbit, Stanley, love to go on adventures together. One day when they are attempting to launch themselves into space from the kitchen, one of the Queen's footmen knocks at the door and demands Emily give Stanley to his mistress in exchange for a brand-new teddy bear.

KS2 - Skellig

When a move to a new house coincides with his baby sister's illness, Michael's world seems suddenly lonely and uncertain. Then, exploring a ramshackle garage with new-found friend Mina, he finds something magical. A strange creature - part owl, part angel, a being who needs Michael's help if he is to survive. With Mina's help, Michael nourishes Skellig back to health. The creature is ill-mannered, with questionable personal hygiene, but persevering in their kindness towards him, Michael and Mina find a bond forms between them that will change their lives forever.

Year 1 and the Great Fire of London

1

Hazel and Hawthorn had a very exciting end to their 'Great Fire of London' topic. We re-enacted the start of the fire with our very own Pudding Lane baker's shop. Just like the real thing, the fire took hold very quickly and all that was left was ashes! Thank you to Mr Johnson who had everything under control!
