

Home Topic Learning- Spring 1

Research a dinosaur of your choice

Choose a dinosaur and draw/print a picture of it. *Can you find out some interesting facts about the dinosaur?* Have a go at writing one or more of your dino facts.

Woodland friend

Draw/paint/collage a picture of a small person/fairy who might live in a forest. You can label your picture or write a sentence about your woodland friend e.g. *their name, what they like to do etc*

Chinese dragon

Make a Chinese dragon by folding paper back and forth to create a concertina effect. Draw a head and tail on a separate piece of paper, cut these out and stick them either end of the body. You could stick your dragon into your homework book or take a photo.

Cooking

Do some cooking with your adults at home. You could make some cakes, a smoothie anything you like. Use the scales and different containers to measure out the ingredients. *Which ingredient is the heaviest? Which is the lightest? How heavy is it?* When measuring liquids talk about capacity. Use the language *full, nearly full, half full, empty, nearly empty*.

Number Hunt

Go on a number hunt. This term we are focusing on numbers 6, 7 and 8. Look out for these numbers on a walk or around your home. Record how many of each number you see. *Which number did you spot the most? Can you represent these numbers in different ways? What other numbers did you see?*

Adding Machine

Make an adding machine. Put different amounts of items in each side. Count how many you have altogether. *Can you record the sums using pictures or a number sentence? E.g. $2 + 3 = 5$*

Create a den

Make it comfy using blankets, cushions, pillows, bed covers, anything cosy that you can find! Take some soft toys into your den with you and you could take some books to look at also.

Junk modelling

Use any boxes, tubes and plastic trays from your recycling to make a model. You could make a musical instrument or your favourite animal or just use your imagination!

Play games

You could have a games hour....get out your favourite board games and enjoy!

Thank you for your continued support.

Mrs Jennings and Miss Russell 😊
