Dear Parents /Carers,

I am sure you have all noticed that there has been another improvement to the rear playground. The work has begun in transforming the bank by the Year 5 and 6 classrooms into a tiered garden. A team of very willing and able volunteers from Jaguar Land Rover have once again supported our school. Not only did they provide many industrious hands, but the materials used to create this improvement were provided by them too! I think you would all agree that the work they have done is amazing! It provides us with the first phase of this work and we are looking forward to making plans for the other section soon.

Many thanks to all the parents and children who supported the Movie Evening PTA event this week. The children had a great time and the popcorn and pizza went down a treat! Sincere thanks to all of our PTA members for supporting with the organisation of this event. The next event on the calendar will be the Halloween Disco, which I am certain will also be greatly enjoyed.

This evening I have sent letter to parents with children with Asthma. It is really important that we keep our database regarding medical needs and medication fully up-to-date. If your child has had a recent diagnosis or have another medical condition and/or allergy that we are not aware of, please can you come into school to complete medical forms relating to this and talk to your child's class teacher. Any medication administered to your child in school, including an inhaler, requires your signed permission and correct dose information. It is vital that we have all forms completed annually and/or at the point of change and all the necessary medication is in school and in date.

Please refer to our Medical Needs Policy on the website for any further information.

Wishing you all a lovely weekend. Mrs Ellison, Headteacher

Harvest Assembly

Thank you to everyone who donated food for our Local Food Bank. You all donated an incredible amount.

Year 4 did a great job in assembly and the singing was fantastic.

Lost Uniform

Please can you check your children's uniform to make sure it does actually belong to them!

Uniform has gone missing and the child's name has been written inside. It is very easy for children to go home with the wrong jumper/ cardigan especially getting changed after PE.

Our Queen's Garden is flourishing and looking amazing. We are very lucky to have so many people willing to help plant, weed, and generally help make the school grounds so wonderful.

Holly Hard at Work

Here are some photos of Holly working very hard. They include:

- Dough disco which helps develop their fine and gross motor dexterity, hand-eye coordination.
- Practising tracing over chalk patterns with a cotton bud dipped in water which helps their fine motor control.
- Using mops to trace over chalk patterns outside to develop gross motor skills.
- Pushing cars down a ramp to see which number it lands on a number line, and picking a number card and building a wall for Humpty using that many blocks.

The PTA would like to thank everyone who came to the movie night.

The night was a huge success and we raised £196.25.

A special thanks to Tuscano's for providing the pizza for us at a reduced price.

Thank you

Attendance 18 - 22 September 2017

Well done Oak

Uniform Sale

FURTHER REDUCTIONS

Item	Price
