Dear Parents /Carers

This week has been Science Week at Whitnash Primary. The children have been engaged in exciting activities, linked to Science, throughout the school. These have included:

- Exciting experiments, such as investigating the permeability of different soils.
- A visit to Campion to investigate the amount of energy produced by burning different foods.
- Learning how to create erupting volcanoes - Year 3 taught Reception children how to do this.
- A fabulous Science assembly delivered by Campion Secondary.
- The opportunity for all year groups to work in the Science Room with microscopes.

The children's Science work in each class has been based on exciting Science based narratives, such as 'The Street Beneath my Feet'.

We thank and congratulate all the children who sent in their amazing Science projects. We had 29 entries this year! Grace Bridgewater a Chemist from Warwick University judged the projects with Miss Roger, our Science leader. Both were thoroughly impressed with the children's confidence, knowledge and enthusiasm when they talked about their individual work.

The winners have been announced assembly with children being awarded with a book, kindly supported by our PTA. All participants received a certificate.

We also congratulate Year 6 on their successful participation in an Archery contest this week. Our fabulous Year 6 pupils won 3rd and 4th place in the competition of 10 participating teams. Miss B was super impressed with the skills the children displayed and their excellent behaviour. Well done Year 5!

Many thanks to all parents who attended our second Parent's Evening this week.

Mrs Ellison, Headteacher

This Week's Achievements

HOLLY

Cassie - For a fantastic science project on electricity and for showing amazing confidence and knowledge when talking to the class and teachers about her project!
You are a super star!

HAZEL

Corey - Corey is a lovely, very kind and helpful member of the class. He always tries hard with all his work.

HAWTHORN

Dragos - Dragos is making fantastic progress in writing—showing more independence and confidence.

Matilda - Matilda has shown great progress in writing—her spelling and handwriting have really improved.

PINE

The Whole Class – For fantastic behaviour on our class trip to West Midlands Safari Park. All of the adults were very impressed.

MAPLE

Beth - For amazing focus and concentration in all lessons.

JUNIPER

Eden-Mae - For working really hard on her maths and English this week and especially for being a quiz master. Eden Mae has achieved 25 100%'s on her accelerated reader quizzes! Keep up all the wonderful reading.

ASH

Barun - For brilliant attitude to learning. You are always focused and working hard.

OAK

Megan - Fabulous attitude to her writing and a wonderful persuasive text!

Book of The Week

Every week we shall be recommending a 'book of the week' for each Key Stage.

KS1 - The Adventures of Captain Underpants

'The Adventures of Captain Underpants,' by Dav Pikey

Two boys hypnotise their teacher and create an alter ego – Captain Underpants – with wedgie power.

The Book Bus is at Whitnash Primary on

Monday 19th March 2018

There will be a timetable set up for each class to go and have a look/purchase books. Alternatively books can be purchased after school.

'Look – The Art of Seeing'

The free exhibition that the Art Club have been working so hard towards will be running from 7th March to 1st April at East Lodge Gallery in Jephson Gardens.

Please come along and support our budding artists.

KS2 - Bad Magic

'Bad Magic' by Pseudonymous Bosch

Magic is BAD. As in fake. Cheesy. Unreal. At least, that's what Clay, who has seen one magic show too many, thinks.

When words from his journal appear mysteriously on his school wall as graffiti, he never imagines that magic might be to blame. And when the same graffiti lands him at Earth Ranch, a camp for "troubled" kids on a remote volcanic island, magic is the last thing he expects to find there.

*"It's a book about a boy called Clay. He 'apparently' wrote 'magic sucks' on a wall and he went to camp. At the end it was all a play. I recommend this to older readers *****" Review by Martha.*

Attendance 26.02.18-02.03.18

Well done Hawthorn!

Science Week

Our Science week got off to a great start with 29 new science teachers! Miss Roger and Mrs Stevenson were able to take a back seat when Year 3 became Reception teachers! The Year 3s taught the younger children some essential facts about volcanoes before showing them how to make a model one erupt. It was wonderful to see how kind the older ones were to their younger peers, making sure everyone had a fair turn. What a great start to the week!

All the classes have done some super science work this week and we have also had the Science Fair. More photos and the results from the Science Fair will be in next week's newsletter.

What's on ...

March 2018

7 Mar-1 Apr		10.00-4.00pm	Art Exhibition East Lodge Gallery in Jephson Gardens
19	Tuesday	All Day	Book Bus at school
20	Tuesday	9.10-10.10	Holly Stay and Play
23	Friday	Day	Sports Relief –dress in sports kit for £1 donation
27	Tuesday	TBA	10 Science winners to Warwick University
22	Thursday	4.30-6.00pm	School Disco
29	Thursday	Afternoon	Egg Hunt
29	Thursday	3.15pm	Break up for Easter Holidays

April 2018

16	Monday	8.55am	Pupils back at school - Summer Term 1
18	Wednesday	TBA	Bingo Night
26	Thursday	TBA	Movie Night

May 2018

4	Thursday	TBA	Bingo Night
18	Friday	DAY	Royal Wedding Celebration—Regal Dress Code/Street Party
28 May-01Jun		Week	Half Term

June 2018

4	Monday	TBA	Bingo Night
14	Thursday	TBA	Family Quiz Night
