Dear Parents/Carers

We want to say well done this week to our Year 2 pupils for completing their End of Key Stage 1 Statutory Assessments. These assessments support our teacher's in making their end of Key Stage judgments. Miss McCourt and Miss Brown have supported children's progress superbly again this year, ensuring that all children have progressed and achieved well from their starting points. Of course, the official outcomes for Year 2 and Year 6 will be communicated to parents in their End of Year Reports. All other year groups will also receive the End of Year Teacher Assessments results. These will be sent to parents on **Monday 8th July 2019**. Like always, there will be opportunity on **Wednesday 10th July 2019** for parents to meet with teachers in all year groups to discuss their children's reports.

Year 6 have been out and about this week to Holdenby House. They visited a fantastic 2nd World War experience day. They went well prepared with their home-made gas mask boxes. This trip consolidated the class' learning on the 2nd World War by giving them a very real sense of what it was like during this time for children and other citizens.

The school is delighted to have Mrs Ballantine return from her maternity leave this week. Mrs Ballantine has returned to support teacher's planning and preparation time. It is lovely to have Mrs Ballantine back as part of our team.

Children had their group photos taken this week and proofs will be sent out after half term when we have received them from the photographer.

Thank you to everyone so far who have activated their Parent Pay account. This has made an enormous difference in the office. Please can we get to 100% activated by the end of the academic year.

We wish you all a lovely bank holiday weekend and a great half-term.

Mrs D Ellison
Headteacher

Achievements this Week

Holly – Cerys

Cerys always greets us with a big smile. She has really impressed us with her doubling in maths and her reading has really improved. Well done Cerys. Keep up the good work and keep smiling!

Ivy – Zaiden

It has been a pleasure to teach Zaiden this year. He has brought a smile to our faces every single day. We wish him all the best of luck in his new school.

Hazel – Calvin

Calvin always tries hard with all his work and his work is always lovely and neat. Calvin is also a lovely, kind boy.

George

George has really worked hard in the last two weeks to complete his work on time. His work is still as beautifully neat as ever!

Pine – The Whole Class

For their amazing attitudes towards the SATs test over the past two weeks. You have all shown great resilience and perseverance and we are extremely proud of you!

Cedar – The Whole Class

You have all worked so hard for your SATs. You have approached them with a positive and enthusiastic attitude. You are all amazing!

Maple – David

For settling down quickly to his work.

Ryan

For great progress in phonics.

Juniper – Kye

This week Kye has been trying extra hard on achieving high scores on his success chart. Super behaviour! Keep it up!

Ash – Ewan

For writing that 'blew me away'. You have made amazing choices as an author and demonstrated a brilliant grasp of language and taught skills.

Oak – Anais

Absolutely fantastic efforts during SATs week to help wash up everyday and look after everyone! Well done!

Attendance - 13-17 May 2019

Well Done Holly

Upcoming Events

We have some great events coming up for the children. Please look out for letters/ emails home. All events and trips are a great way for the children to experience further enhancement to their learning topics.

Friday 7th June 2019

World Ocean Day

All classes will be learning how to care for the oceans about climate change and making art from recyclable materials.

Monday 24th June 2019

Reception visit the Spa Centre to see

'The Hungry Caterpillar'

Thursday 27th June 2019

Transition Day, were all pupils move up to their new classes for the day.

Monday 1st July 2019

Hazel visit All Things Wild to see the amazing animals.

2nd July 2019

Sports Day

This is always a great day for all the family.

Friday 12th July 2019

Summer Fair

A wonderful traditional way for families to get together to help raise much needed funds for the school.

Summer Fair

Friday 12th July

3.30pm—5.30pm

**Free entry
Fun for all
the family**

*Inflatables
Hamper Raffle
Hook a Duck
Face Painting
Splat the Rat
Pick a Lolly
Balloon Pop
Spinner Game
Soak the Teacher
Lucky Dip*

*Pizza & Chips
Cakes
Ice Cream*

Helpers Needed for Summer Fair

If you can help during the day, either setting up, clearing away, manning a stall, please let the office know.

IMPORTANT

Please Activate Your Account

We are now up to 66% who have been activated but there are still 80 pupils still to go.

shows you where your nearest PayPoint store is.

Newsletters

Newsletters will also be sent through ParentPay in future so it is essential that you activate your account so you do not miss any important information.

Second Hand Smoke: The Impact on Children

- In the UK around 2 million children are estimated to be regularly exposed to second hand smoking (SHS) in the home. The home is now the main source of exposure to SHS for children.
- SHS exposure can have adverse effects on children's health even before birth through maternal smoking and exposure to second hand smoke whilst pregnant.
- Smoking in cars is particularly hazardous as levels of SHS have been found to be dangerously high due to the enclosed space, even when the vehicle is well ventilated.
- Children are particularly vulnerable to the effects of SHS exposure, which has been linked to an increased risk of a range of illnesses including lower respiratory tract infections, asthma, wheezing, middle ear infections, sudden unexpected death in infancy and invasive meningococcal disease.
- Opening a window or restricting smoking to a specific room offers little protection against exposure to SHS. Researchers have found that smoke from one cigarette can linger in a room for up to two and a half hours, even with a window open.
- Why are children vulnerable?** Children are especially vulnerable to SHS as they breathe more rapidly, inhaling more pollutants per pound of body weight than adults. Children also ingest higher quantities of tobacco smoke pollutants due to more hand-to-mouth behaviours. SHS in the home is a major source of exposure because children spend most of their time at home and indoors. Unlike adults who can choose whether or not to be in a smoky environment, children have little choice or control over their SHS exposure. They are far less likely to be able to leave a smoke-filled room if they want to: babies cannot ask!
- The only effective way to protect children from SHS exposure is to make homes and cars completely smoke free.

Information taken from the Ash Research Report

KS1 Maths Problem of the Week

1. Andy is holding some balloons. He releases these balloons.

Then 7 balloons burst. He has 9 balloons left.

How many balloons was he holding at the start?

2. Part of a number grid is shown:

1st row	1	2	3	4	5
2nd row	6	7	8	9	10
3rd row	11	12	13	14	15

What will the last number in the 7th row be?

KS2

1. Here are two identical rectangles:

What is the length of one of the rectangles?

2. What fraction of the shape is not shaded?

3. A bag contains some lemons and pears. For every 5 lemons there are 3 pairs. There are 18 more lemons than pears.

How many lemons are there in total?

Book of the Week

KS1 Paddington

The classic story of the bear from Darkest Peru who arrived at Paddington Station with nothing but a suitcase, a half-empty jar of marmalade and a label that read, 'Please look after this bear. Thank you.' Mr and Mrs Brown discovered him, named him Paddington and welcomed him to their home, where he has lived ever since.

KS2 Alex Sparrow and the really big stink

Alex Sparrow is a super-agent in training. He is also a human lie-detector. Working with Jess - who can communicate with animals - they must find out why their friends, and enemies, are all changing into polite and well behaved pupils. And exactly who is behind it all.

June 2019

3	Monday	DAY	Children back to school
