

Go Go Makers
After School Care

November/December 2017

We have had lots of new Reception starters joining Go Go Makers and we would like to thank all the Go Go Makers children for making them feel at home. We hope that your children are happy and settled.

We will be setting up the "Go Go Makers Café" soon and there will be a grand opening which we would like to invite you to. The café will allow the children to role play – take orders from customers, prepare their drinks and food and work out how much things will cost and taking "pretend" payment. We look forward to working with them on this as they certainly like doing role play with our "market stall" and "hairdressers" at Go Go Makers. We hope that you can come along to the grand opening. The children will be baking some cakes for the café, so when you come and collect them you can stay for 'cake and a chat' with us. It will be an opportunity for you to speak about your child/children's progress at club and to speak about anything else. We appreciate that you all want to be getting home so please don't feel obliged to stay too long, five minutes is fine. We will finalise the date in the next couple of weeks.

I hope that most of you have seen some of the wonderful artwork that children have produced each week, they have worked extremely hard to produce fantastic art.

From January, the online booking system will be able to accept debit cards, so childcare vouchers and debit cards will be the payment options. We will no longer accept bank transfers, if this is a problem please do contact me to discuss this.

It won't be long until Christmas! As usual we will have a Go Go Makers Christmas party where there will be party food, Christmas music, arts and crafts and more! More information on this will follow.

Finally, we have a new kitchen arriving this week..... not a real one! The children will have a new play kitchen at after school care which I am sure they are really going to enjoy.

Best wishes,

Emma, Beccie and Chantal
