

## After School Care - Spring Term 2 Newsletter 2019

### What the children been doing over the past half term:

At Go Go Makers after school club, we set different themes each week which are guided by the themes classes at Whitnash Primary school are studying also themes are added into the plans for different cultural, national or global events which are coming up. We ask the children what activities they would like to do linked with our themes to ensure we are providing activities the children enjoy.

Over the past half term the children have participated in activities related to the following themes- St David's Day, Doll's Festival, Pancake Day, Celebrate your Name Week, World Book Day, International Woman's Day, National Wildlife Week, National Science Week, St Patrick's Day, Comic Relief, Active Earth, Holi, Water Day, Europe, Mother's Day, Pet Month, WW2, The Tudors and Easter!

Some of the favourites enjoyed by the children were decorating tasty pancakes for Pancake Day, making bird feeders for National Wildlife Week, going on a bug hunt for National Science Week and making our own chocolate bunnies for Easter!
