English Activity 3 - Easter Comprehension

Easter is a special day for Christians and is celebrated by many people around the world. Some believe that 'Easter' gets its name from 'Eastre', a pagan goddess of the spring. Before Easter is Lent - when Christians pray, fast and reflect on Jesus's time in the desert. Easter Sunday, at the end of Lent, is a celebration of Jesus rising from the dead. It is a moveable festival and usually falls between March 22nd and April 25th.

An old German story tells of a woman who decorated eggs and left them for her children to find. The children thought the eggs were left by a rabbit, which they saw hopping away. This is where the idea of the Easter bunny comes from. Eggs are a symbol of Easter, as they represent new life and people traditionally paint and decorate them at this time. People also give chocolate eggs to their friends and family. Other fun traditions include wearing an Easter bonnet and having an Easter egg hunt.

Use the comic strip below to help you rewrite the story

Easter Comic Strip

Draw a comic strip about the events of the Easter story.

Jesus rode into Jerusalem on a donkey.	Jesus celebrated the Passover meal with his friends.	Jesus went to the Garden of Gethsemane to pray. Then, he was arrested by soldiers.	Jesus carried his cross through the streets of Jerusalem.
Jesus was nailed to a cross in-between two thieves.	Jesus died and the sky then turned dark.	Jesus' body was buried in a tomb and a big stone was placed across the entrance.	Some women went to the tomb to visit Jesus' body. An angel told them that Jesus had risen from the dead.
